

Whistle

TANK CLEANER

Removes Plant Growth Regulators, Insecticides, Fungicides and Herbicides.

Product Information: *Whistle* tank cleaner is a 2 way tank cleaner that relies on 2 modes of action to clean your tank. The first mode of action is a surfactant that acts as a detergent and the second is a sequestrant. *Whistle* tank cleaner is a non-ammoniated cleaner that is effective in hard water and will not corrode your spray equipment.

Directions for use: Drain tank completely then flush tank, boom and hoses with clean water. Drain again. Half fill tank with clean water and add *Whistle* tank cleaner at recommended rate, flush through boom and hoses, then agitate for 10 minutes. Drain completely. Nozzles and filters must be removed and cleaned separately with *Whistle* tank cleaner solution. Leave to soak in a bucket containing 100ml *Whistle* tank cleaner per 20 L of water while tank cleaning is in process.

Rate of Use for Standard Maintenance Cleaning: Use at the rate of **0.25%** based on the volume of water to fill the tank.

Examples: 250ml of *Whistle* tank cleaner in 100L of water or 2.5L of *Whistle* tank cleaner in 1000L of water.

Rate of Use for Heavy Duty Decontamination: Increased rate of **0.5%** based on the volume of water in the tank.

Examples: 500ml of *Whistle* tank cleaner in 100L of water, or 5L of *Whistle* tank cleaner in 1000L of water.

Caution: Keep out of reach of children. Avoid eye and skin contact. Avoid ingestion, breathing vapors or spray mist. Do not Freeze. Follow and all label directions and cautions.

Precautionary Statements: Wear eye protection and rubber gloves when handling or using *Whistle*.

Storage and Disposal: Do not reuse container. Triple rinse container and dispose of container in accordance with local regulations.

Warranty: *Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the directions under normal conditions of use; but neither this product nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller and the buyer assumes the risk of any such risk.*
