

OPTIONAL LIGHT KIT ADDS BEAUTY

Decorative light kits add beauty and interest to your aerated pond. The superior design of Kasco lighting sets a new quality standard that competitors attempt to achieve!

LR Light Kits with colored bulbs (50-watt) in red, green, blue, or yellow.

LR light kits: These bronze light packages are available in two or three light kits. Each fixture is solid brass, has a clear lens, is internally potted using multiple gaskets, has thermal overload protection, and comes with clear 75w MR-16 Halogen bulbs. The 3/4 hp unit can use a two-light kit or three-light kit depending on your budget and preferred light level, The 1 hp and larger require a 3-light kit for proper illumination. You can also add two lighting packages to any 2, 3, 5, or 7.5 hp unit to create a brighter and more dramatic display. Kasco also offers 50 watt colored bulbs in red, green, blue and yellow.

LED Light Kits: Available in sets of 3 or 6 permanently sealed light fixtures. Each fixture includes a waterproof connector allowing for individual replacement in the field. Each fixture uses only 9 watts of power and has a 50,000 hour bulb life. Will fit any Kasco J fountain from 3/4 to 7.5 HP.

LED Light kit on 5 HP sequoia nozzle

POWER CONTROL CONSERVES ENERGY

J-Series 120V fountains come standard with a C-25 Ground Fault Circuit Interrupter (GFCI) in a rain-tight enclosure with 24-hour timer and photo sensor for the optional light kits.

J-Series 240V fountains come with a timer, GFCI protection for the fountain and 120V GFCI protected outlet with photo sensor.

J-Series 208V to 230V 3 phase fountains come with 5ma personal trip level GFI, adjustable motor starter with over current, overload, and phase unbalance protection, hands-off-auto switch, and individual timers for motor and lights in a non-metallic rain-tight enclosure.

YOUR KASCO DISTRIBUTOR:

J SERIES DECORATIVE FOUNTAINS

The least expensive fountains to purchase, maintain, and operate!

NEW LED LIGHT KITS AVAILABLE

MULTIPLE SPRAY PATTERNS FOR THE PRICE OF ONE!

AFFORDABLE ❖ VERSATILE ❖ ENERGY EFFICIENT ❖ COST EFFECTIVE ❖ COMPLETE ❖ DEPENDABLE

For over 45 years, Kasco has been supplying product that is dependable, affordable and efficient. Our customer-focused philosophy ensures that you get superior performance at a great value. Kasco J-Series Decorative Fountains improve the overall water quality of your pond, while enhancing its appearance with interchangeable spray patterns — included in the fountain price!

KASCO J-SERIES DECORATIVE FOUNTAINS ARE:

THE LEAST EXPENSIVE TO PURCHASE, MAINTAIN AND OPERATE— providing the best value on the dollar!

VERSATILE — get multiple, interchangeable spray patterns for the price of one!

- 3/4 and 1 hp = 5 patterns
- 2 hp and 3 hp = 6 patterns
- 5 hp = 7 patterns
- 7.5 hp = 3 patterns

COMPLETE WITH EVERYTHING YOU NEED — nozzles to create multiple decorative spray patterns, control panel with Ground Fault Interrupter and photo-eye for optional light kit, power cord (available in 50' increments up to 200'; 250, 300', 400', and 500' cords also available for 240V models), and mooring lines.

INDUSTRIAL STRENGTH — designed with heavy-duty stainless steel components for continuous operation, extended motor life and corrosion prevention (even in salt water.)

ENERGY EFFICIENT — 1750 rpm motors mean lower power consumption and longer life for seals and bearings. Compare Kasco's amp draws to competitive units and see what you save on your monthly power bill.

EASY TO USE AND INSTALL — fountains are easy to install, move, and operate. Spray nozzles are easily switched within 30 seconds.

COMPLIANT AND WARRANTED — Kasco fountains are approved to UL and CSA standards by ETL as complete packages. Each 3/4 and 1 hp fountain comes with a 2-year manufacturer's warranty and 2, 3, and 5 hp fountains include a 3-year warranty.
